

# WILY TROUT

Our premium wine label for the hand crafted wines made from the grapes grown at the Wily Trout Vineyard. These wines show the distinctive style and quality of the Canberra District and are reserved for when the variety, the vineyard and the season come together to produce a truly memorable wine worthy of single vineyard release. A James Halliday 4 ½ star rated vineyard.

**Wily Trout Premium Sparkling Salmon 2009:** Methode Champenoise and late disgorged, this vintage of our Premium Sparkling has had light skin contact with the Pinot Noir fruit giving it a delightful salmon hue. Dry and complex.

**Wily Trout Sauvignon Blanc 2011:** Intense passionfruit fruit aromas with underlying pink grapefruit, mango and minerality. The palate is bursting with tropical fruit and has a long and lingering mouth-feel that is soft and seamless on the finish due to its bright lemon zest acidity.

**Wily Trout Chardonnay 2007:** Lovely stone fruit flavours with some toasty lees characters on the nose. Lightly oaked and a lingering palate.

**Wily Trout Pinot Noir 2009:** A big rich Pinot. 2009 sees a spicy bouquet of forest fruits, a savoury cherry palate and soft tannins on the finish.

**Wily Trout Merlot 2005:** Fragrant dusty plum Merlot fruit with soft full ripe flavours supported by satin tannins.

**Wily Trout Shiraz 2006:** An elegant cool climate Shiraz, soft and spicy with a hint of vanillin oak. This shiraz is drinking beautifully.

**Wily Trout Reserve Shiraz 2010:** A cooler ripening season resulted in a beautiful, expressive cool climate Shiraz. The fruit was cold soaked for ten days before fermentation, and has matured in 500 litre French oak puncheons for 18 months. The most evocative barrels were selected and the wine was then bottled matured before release. The resulting wine is an intense, complex expression of Canberra Shiraz.
