A Poachers Country Wedding
... simply perfect

The perfect country wedding

Poachers Pantry offers the perfect venue for a country wedding from the old farmhouse, which has been renovated and gives a smart-but-casual feel to our garden marquee which looks over the country side.

The lawns around the restaurant and terrace overlook the old slab woolshed and are beautiful in the early evening light. The homestead lawn provides the perfect spot for a twilight wedding ceremony under the spreading boughs of an ancient golden elm, follow this with canapés and drinks while photographs are being taken throughout our unique country setting which provides a stunning backdrop.

The marquee lawns look over the quintessential Australian countryside. The unspoilt country gardens and landscape vineyard provide a stunning location for your memorable wedding photographs.

At Poachers Pantry we smoke all our meats and grow all our Wily Trout wines, so we are built around a philosophy of supporting regional produce and love of good food. We can promise a wedding meal that you will remember. Our wait staff will provide you with personalised attentive service and the relaxed country setting, we will ensure an unforgettable and simply perfect day.

The Wedding Feast

Poachers Pantry is renowned for its food. It is a regional food icon and its smoked meats and wines are constant aware winners. We can assure you that the stunning combination of our food, wine and countryside will create an evening your guests will remember.

We have several different menu options to meet the style you wish to create:

Canapé wedding: ideal for a contemporary style wedding that allows your guests to mingle with a glass of sparkling, fantastic food and great company. A canapé wedding has a wonderful informality where a selection of hot, cold and sweet canapés is served while your guests mingle. Allowing a selection of 15 canapés for five hours will ensure your guests have a substantial meal.

Table d'hôte: In the restaurant a style of dining where your guests make their selection from a menu you create. Your reception will start with a selection of canapés, served with drinks either on the homestead lawn or in the restaurant. For one hour of pre-dinner drinks you will require three items per person, which after your guests take their seat they will select from a personalised menu that you have created.

Alternate serve: Your reception will start with a selection of canapés and drinks served on the homestead lawn or in front of the marquee. Once your guests are seating they will receive an alternate serve (50/50) from the menu you have pre-selected for them. This can be two or three course and is followed with your wedding cake.

Share platters: A perfect way to dig into smoked meats and fresh local produce with share platters down the centre of your tables for your friends and family to share and enjoy.
